It was noted that the Board Members terms rotation periods need to be staggered. Director/Project Coordinator Charles Harts would follow-up with Mayor Arvest Turner concerning the possible H96DA participation as Mayor Ex-officio member of the Board.

Old Business

Director Elliott Richardson reminded that the H96DA needed to submit a copy of the approved minutes to the Town. Director Wells said she had spoken to the Town Clerk and mentioned due to the Board's summer vacation there had been a void. Director Wells noted she would be submitting all future minutes.

New Business

President Dr. Long reminded the Board of the need for promotional items for Ninety Six. Director Wells suggested a Ninety Six ornament series. She said the series would be not only be a collectible for local Ninety Six citizens but also as memorabilia for travelers. President Long appointed a committee to work on the suggested project. Committee members appointed were Director Stevens, Director Johnson and Director Molly Harts as Chair.

Director Wells requested that the H96DA sponsor an art exhibit for local artist, Chris Shealy. Director Molly Harts made a motion to sponsor the exhibit and seconded by Director Charles Stevens.

With no further business, the meeting was adjourned.

Respectfully submitted,

Donna Wells
